RE: APPROVAL NaI GAMMA SPECTROSCOPY CALIBRATION REPORT

Dear Mr. Reising:

The Ohio Environmental Protection Agency and Ohio Department of Health-Bureau of Radiation Protection have reviewed the Draft NaI *In Situ* Gamma Spectroscopy Systems Calibration Report. This letter provides our formal approval. At the last Real-Time Radiological Work Group meeting we informally agreed that the calibration pad could be used before our formal approval.

If you have any questions, please contact Tom Ontko or me.

Sincerely,

Tom Ontko
